We realize that retiring is a significant life event and want to make the process to apply for your MSRS retirement benefit as easy as possible.

Forms you need to complete and documents to provide:

- **Application for Retirement Benefit** *(required)*
  The application must be signed in the presence of a notary. If you are married, your spouse must also sign the application in the presence of a notary to acknowledge your benefit election.

- **Direct Deposit Agreement** *(optional, but recommended)*
  Complete this form to have monthly payments deposited into your bank account. Generally, MSRS sends your payment to your financial institution the first business day of each month. If payment is made by check, assume an additional five days for mailing.

- **Birth Records** *(required)*
  Payment cannot begin until you provide a copy of your birth record. In addition, if you select a survivor option, you must provide a copy of your survivor’s birth record.

- **Copy of Marriage Certificate** *(if applicable)*
- **Certified Copy of Divorce Decree(s) or Domestic Relations Order (DRO)** *(if applicable)*
  If you are currently divorced or have ever been divorced, you must provide these documents, even if the MSRS retirement benefit will not be divided between the parties.

**Timeline to receive payment**

You will receive your first benefit payment approximately 6 weeks after the retirement benefit start date indicated in Section 2 of this application. This assumes your application is in good order; you have provided MSRS with the required documents; and your employer has remitted all contributions to your retirement plan. Failure to meet any of these requirements could delay your benefit payment. MSRS will notify you if additional items are needed.

**Things to know**

- You must end all State of Minnesota employment before receiving an MSRS retirement benefit.
- The completed application and required documents must be mailed to MSRS (we cannot accept a fax or email).
- MSRS is unable to accept your application more than 60 days prior to the retirement benefit start date you indicate in Section 2 of this application.

2. Your retirement

It is important that you understand your options. Please review the “Your retirement” section on page 6 of this application.

Last day on payroll: _______/_____/_____

Retirement benefit start date: _______/_____/_____

You will receive your first benefit payment **approximately 6 weeks** after the retirement benefit start date you indicated above. This timeline assumes:

- your application for retirement is in good order;
- you have provided MSRS with all required documents; and
- your employer has remitted all contributions to your retirement plan.

**Failure to meet these requirements could delay your benefit payment.**
3. Retirement benefit option

Your retirement benefit is for your lifetime regardless of the option you select. If you choose joint-and-survivor coverage or the life income option, you will receive a lower monthly benefit to provide this additional coverage. MSRS will send you a benefit authorization letter confirming the monthly benefit amount about the time you receive the first payment. You may change your benefit option up to 30 days after the date of the authorization letter. After that, you may not change your survivor option election.

See page 7 for a comparison of retirement benefit options.

Guide to Apply for a Monthly Retirement Benefit

Information About You
Enter your basic information - legal name, MSRS account ID or Social Security number, contact information, marital status, and your spouse’s information.

The information you supply on this form is for internal use by Minnesota State Retirement System (MSRS). You are not legally required to provide the information, but we may not be able to pay your benefit without it.

Your Retirement
Indicate the last day you worked for the employer who sponsored your Minnesota public retirement plan and the date you want your retirement benefit to begin. You must be terminated prior to the benefit start date. The retirement benefit start date must be after your last day on payroll.

**EXAMPLE:**
Your last day worked is January 20 + 2 days of vacation pay to keep you on the payroll.

Last day on payroll = January 22
Retirement benefit start date = January 23 or after

Your retirement benefit start date
Use this table as a guide to determine your benefit start date options.

| I currently work for the employer that sponsored my MSRS retirement plan | Retirement benefit start date can be anytime after your last day on payroll. |
| | If benefit start date is left blank, your benefit will begin the day after your last day on payroll. |

| I no longer work for the employer that sponsored my MSRS retirement plan and left that employment no more than 180 days ago. | Retirement benefit start date can be anytime between your last day on payroll and up to 60 days after the date we receive this application. |
| | If benefit start date is left blank, we will start the benefit on the date that will provide the highest overall benefit to you. |

| I no longer work for the employer that sponsored my MSRS retirement plan and left that employment more than 180 days ago. | Retirement benefit start date can be up to 60 days prior to the date we receive this application. |
| | If benefit start date is left blank, we will start the benefit on the date that will provide the highest overall benefit to you. |

Income Tax Withholding
Your retirement benefit is taxable income. You can choose to have federal and Minnesota state taxes withheld from your monthly pension benefit. If you do not make an election, your tax withholding will be as follows:

- Federal tax withholding: MSRS is required by law to withhold taxes as if you are married claiming three allowances (regardless of your marital status).
- Minnesota state tax withholding: no state taxes will be withheld.

What else you need to know
The amount withheld is based on your MSRS retirement benefit only.

MSRS is only able to withhold Minnesota state taxes. If your state of residency changes, please notify MSRS if you wish to stop Minnesota state tax withholding.

The IRS may impose an underpayment penalty if your federal withholding or estimated tax payment is too low. Refer to IRS Publication 505, Tax Withholding and Estimated Tax, for additional information.

Tax withholding can be changed or stopped at any time.

For more detail, go to IRS.gov for Form W-4P Withholding Certificate for Pension or Annuity Payments.

Required Signature(s)
Spousal notarized signature
If you are married, your spouse must agree with the retirement option you elected and the named survivor. Minnesota law requires that you provide at least a 50% Joint-and-Survivor benefit option for your spouse unless they waive survivor coverage in Section 7.

Your notarized signature
Your signature acknowledges that you have read and agree to the terms of all elections.

The application should not be signed unless you and your spouse are in the presence of a notary.
