# Preparing for Retirement

Retirement is in sight. By the time you are within 12 months from retirement, it is important that you have a realistic understanding of your retirement income needs and expenses to plan effectively. Use the timetable below to help you prepare for retirement.

## 12 months to retirement

- Contact MSRS for an audited estimate of your retirement benefits. Ask about survivor coverage options.
- Attend a free MSRS retirement seminar.
- Review MNDPC distribution options available at retirement.
- Gather information to prepare your retirement budget.
- Calculate your expected Social Security income.

## 6 months to retirement

- Notify your department personnel office regarding your intention to retire. Find out when you should submit a letter of resignation.
- Contact your local Social Security office to file for benefits (if age 62 or older and are eligible for benefits).

# Application Process for Your Retirement Benefits

## Forms to complete and documents to provide:

### 1. **Application for Retirement** (required)

You must sign the application in the presence of a notary. If you are married, your spouse must sign the application in the presence of a notary to acknowledge the benefit option you selected.

### **IMPORTANT!**

MSRS will NOT accept your application more than 60 days in advance of your retirement date.

### 2. **Direct Deposit Agreement** (optional, but recommended)

Monthly payments can be deposited into your bank account through direct deposit. It is the safest, fastest, and most convenient way to receive your monthly payment. Generally your benefit is sent to your financial institution the first business day of each month. If you do not want direct deposit, a paper check will be mailed to you. You can sign up for direct deposit when you apply for a monthly benefit or any time in the future.

### 3. **Birth records** (required for you and your survivor)

Payments cannot begin until you provide MSRS with a copy of your birth record. In addition, if you select a survivor option, you must provide a copy of your survivor's birth record. Please write your MSRS Account ID or Social Security number on your survivor's birth record.

#### **To obtain birth records:**

- If born in Minnesota: any local Registrar office or online at [www.health.state.mn.us](http://www.health.state.mn.us)
- If born in another state: [www.cdc.gov/nchs/w2w.htm](http://www.cdc.gov/nchs/w2w.htm)

### 4. **Copy of your marriage certificate** (required, if applicable)

### 5. **Certified copy of divorce decree and/or domestic relations order** (required, if applicable)

During a marriage dissolution proceeding, the court may decide to divide the assets of the MSRS retirement plan between the parties. If you are currently divorced, or have been divorced, you must provide MSRS with certified copies of divorce decrees and/or domestic relations order (DRO) before you can collect a retirement or disability benefit, even if the assets will not be divided between the parties. For more information on how divorce may affect your benefit, please contact MSRS.

### 6. **Authorization for Insurance Premium Deductions** (optional, but must meet eligibility requirements)

The Pension Protection Act of 2006 allows certain retired and disabled public safety officers and judges to reduce taxable income by up to \$3,000 annually to pay qualified insurance premiums. If you are a public safety officer, you may choose to have qualified medical, dental, or long-term care insurance premiums deducted from your retirement benefit.

# Considerations After You Retire

## Benefit Payments

- **First benefit payment:** You will receive your first benefit payment from MSRS about **SIX WEEKS** after your benefit start date. Please plan accordingly. The first benefit payment is typically higher because it includes retroactive payments back to your benefit start date.
- **Payment schedule:** Monthly payments will be available in your bank account the first business day of each month if you signed up for direct deposit. If you receive payment by check, add five business days for mailing time.
- **Annual benefit increase:** Each January you may be eligible to receive a benefit increase. Depending on when you retired, there could be a waiting period for your first increase and the increase may be prorated. You will receive a letter each December to confirm your benefit increase amount.
- **Service with another Minnesota public employer:** If you had service with another Minnesota public employer (for example, TRA or PERA) and are eligible for additional benefits, you will receive a separate benefit payment from that retirement plan provider. Please contact your other retirement plan provider to learn how and when those benefit payments will be made.

## Income Tax Reporting

All or most of your monthly benefit is subject to federal and state income taxes. Each January, MSRS will send you a Form 1099-R. This form shows the total benefit payments you received during the previous year; the amount that is taxable income; and the amount withheld for federal or Minnesota state taxes, if any.

## Re-Employment After You Retire

For many, retirement means pursuing a second career. Perhaps it is a hobby that you pursue as a paid position. Maybe it means returning to work, but working fewer hours or part-time. Your MSRS monthly benefits do not stop if you are employed by private industry, federal or local government, or a state government other than Minnesota.

If you return to a position covered by MSRS, retirement deductions will not be withheld from your salary. You may be subject to an earnings limitation. Contact MSRS for more information.

You will receive your first benefit payment from MSRS about **SIX WEEKS** after your benefit start date.
