A GUIDE TO

My Total Retirement™ Advisory Services

MNDCP Minnesota Deferred Compensation Plan

A retirement strategy created just for you

You deserve a more personalized approach to planning for the future you want. While basic investment strategies consider only your age, My Total Retirement looks at a wide range of factors to develop a more in-depth picture of who you are before creating an investment strategy that best fits your individual needs.

They start by getting to know you

Using industry data as well as specific information provided by you and your employer, they come up with a strategy that is unique to you.

About My Total Retirement

My Total Retirement offers more than a simple investment plan. Financial professionals consider your individual financial situation and goals to create a plan designed to help you reach the future you want. **The result is an investment strategy that is:**

Factors that make your strategy unique to you!
