Judges Retirement Plan Benefit

Congratulations on your upcoming retirement

We realize that retiring is a significant life event and want to make the process to apply for your MSRS retirement benefit as easy as possible.

Forms you need to complete and documents to provide:

- Application for Retirement Benefit (required)**
The application must be signed in the presence of a notary.
If you are married, your spouse must also sign the application in the presence of a notary to acknowledge your benefit election.
- Direct Deposit Agreement (optional, but recommended)**
Complete this form to have monthly payments deposited into your bank account. Generally, MSRS sends your payment to your financial institution the first business day of each month. If payment is made by check, assume an additional five days for mailing.
- Birth Records (required)**
Payment cannot begin until you provide a copy of your birth record. In addition, if you select a survivor option, you must provide a copy of your survivor's birth record.
- Copy of Marriage Certificate (if applicable)**
- Certified Copy of Divorce Decree(s) and Domestic Relations Order(s) (if applicable)**
If you are currently divorced or have ever been divorced, you must provide these documents, even if the MSRS retirement benefit will not be divided between the parties.
- Authorization for Insurance Premium Deductions Form (optional, but must meet eligibility requirements)**
The Pension Protection Act of 2006 allows certain retired and disabled public safety officers and judges to reduce taxable income by up to \$3,000 annually to pay qualified insurance premiums. You may have medical, dental or long-term care insurance premiums deducted from your retirement benefit and paid directly to your insurance provider. An authorization form has been included with this application if you meet the eligibility requirements.

Timeline to receive payment

You will receive your first benefit payment **approximately 6 weeks** after the retirement benefit start date indicated in Section 2 of this application. This assumes your application is in good order; you have provided MSRS with the required documents; and your employer has remitted all contributions to your retirement plan. Failure to meet any of these requirements could delay your benefit payment. MSRS will notify you if additional items are needed.

Things to know

- ▶ You must end all State of Minnesota employment before receiving an MSRS retirement benefit.
- ▶ The completed application and required documents must be mailed to MSRS (we cannot accept a fax or email)
- ▶ MSRS is unable to accept your application more than 60 days prior to the retirement benefit start date you indicate in Section 2 of this application.

Please complete pages 2 - 5 and mail the original application to MSRS. Refer to the [Guide to Apply for a Monthly Retirement Benefit](#) beginning on page 6 of this application for information on how to complete this form.

- your application for retirement is in good order;
- you have provided MSRS with all required documents; and

3. Retirement benefit option

Your retirement benefit is for your lifetime regardless of the option you select. If you choose joint-and-survivor coverage or the life income option, you will receive a lower monthly benefit to provide this additional coverage. MSRS will send you a benefit authorization letter confirming the monthly benefit amount about the time you receive the first payment. You may change your benefit option up to 30 days after the date of the authorization letter. After that, you may not change your survivor option election. [See page 7 for a comparison of retirement benefit options.](#)

Bounce-back feature: You can choose a Joint-and-Survivor option with or without the bounce-back feature. If you choose this feature and your named survivor dies before you, your monthly benefit will increase - or “bounce-back” - to the Single-Life benefit amount the first of the month following your survivor’s death or one year prior to notifying MSRS, whichever is later. If you do not choose the bounce-back feature, your benefit will not change if your survivor predeceases you.

Income Tax Withholding

Your retirement benefit is taxable income. You can choose to have federal and Minnesota state taxes withheld from your monthly pension benefit. If you do not make an election, your tax withholding will be as follows:

- Federal tax withholding: MSRS is required by law to withhold taxes as if you are married claiming three allowances (regardless of your marital status).
- Minnesota state tax withholding: no state taxes will be withheld.

What else you need to know

The amount withheld is based on your MSRS retirement benefit only.

MSRS is only able to withhold Minnesota state taxes. If your state of residency changes, please notify MSRS if you wish to stop Minnesota state tax withholding.

The IRS may impose an underpayment penalty if your federal withholding or estimated tax payment is too low. Refer to IRS Publication 505, Tax Withholding and Estimated Tax, for additional information.

Tax withholding can be changed or stopped at any time.
