VETERAN-OWNED SMALL BUSINESS PREFERENCE. In accordance with Minn. Stat. § 16C.16, subd. 6a, the Commissioner of Administration will award a 6% preference in the amount bid on State procurement to certified small businesses that are majority owned and operated by veterans.

Any and all goods, materials, supplies, and/or construction, must comply fully with Minn. Stat. § 181.59 prohibiting discrimination.

GOVERNING LAW. The solicitation and the Contract will be construed in accordance with and performance governed by the laws of the State of Minnesota. Except to the extent that the provisions of the Contract are clearly inconsistent therewith, the Contract will be governed by the Uniform Commercial Code (UCC) as adopted by the State of Minnesota. To the extent the Contract entails delivery of performance of services, the services will be deemed “goods” within the meaning of the UCC, except when to deem such services as “goods” is unreasonable.

CERTIFICATION OF NON COLLUSION. By submitting a response to the solicitation, I hereby swear (or affirm) under penalty of perjury:

- a. That I am the responder (if the responder is an individual), a partner in the company (if the responder is a partnership) or an officer or employee of the responding corporation having authority to sign on its behalf (if the responder is a corporation);
- b. That the response has been arrived at by the responder independently and has been submitted without collusion with and without any agreement, understanding or planned common course of action with any other vendor designed to limit fair or open competition;
- c. That the contents of the solicitation response have not been communicated by the responder or its employees or agents to any person not an employee or agent of the responder and will not be communicated to any other individual prior to the official opening of the response.

Any evidence of collusion among responders in any form designed to defeat competitive responses will be reported to the Minnesota Attorney General for investigation and appropriate action.

DISPOSITION OF RESPONSES. All materials submitted in response to this solicitation will become property of the State and will become public record after the evaluation process is completed and an award decision made. Stat. § 13.37, the responder must:

- a. Clearly mark all trade secret materials in its response at the time the response is submitted;
- b. Include a statement with its response justifying the trade secret designation for each item; and
- c. Defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the state, its agents and employees, from any judgments awarded against the State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the State's award of a Contract. In submitting a response to the solicitation, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the state. The State is required to keep all the basic documents related to its contracts, including responses to solicitation, for a minimum of seven years. The State will not consider the prices submitted by the responder to be trade secret materials.

The State reserves its right to make its own determination whether the responder's materials meet the definition of Trade Secret as provided in Minn. Stat. § 13.37, subd. 1(b).

JURISDICTION AND VENUE. This solicitation and the Contract, amendments and supplements thereto, shall be governed by the laws of the State of Minnesota. Venue for all legal proceedings arising out of the Contract or breach thereof shall be in the State or federal court with competent jurisdiction in Ramsey County, Minnesota.

ASSIGNMENT. The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's authorized representative. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's authorized representative of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement does not include reassignment of the contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder as a subcontractor. Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract for services provided by the Contract Vendor's subcontractors.

COPYRIGHTED MATERIAL WAIVER. The State reserves the right to use, reproduce, and publish responses in any manner necessary for State agencies and local units of government to access the responses including but not limited to, photocopying, State intranet/internet postings, broadcast faxing,

and direct mailing. In the event the response contains copyrighted or trademarked materials, it is the responder's responsibility to obtain permission for the State to reproduce and publish the information, regardless of whether the responder is the manufacturer or reseller of the products listed in the materials. By signing its response, the responder certifies that it has obtained all necessary approvals for the reproduction and/or distribution of the contents of its response and agrees to indemnify, protect, save and hold the state, its representatives and employees harmless from any and all claims arising from the violation of this section and agrees to pay all legal fees incurred by the State in the defense of any such action.

STATE AUDIT. Pursuant to Minn. Stat. § 16C.05, subd. 5, the books, records, documents, and accounting procedures and practices of the Contract Vendor and its employees, agents, or subcontractors relevant to the Contract must be made available to and subject to examination by the contracting agency or its agents, the legislative auditor and/or the State auditor for a minimum of six years after the end of the Contract.

NOTICE TO RESPONDERS. Pursuant to Minn. Stat. § 270.65, subd. 3, Minnesota Contract Vendors are required to provide their Minnesota tax identification number and federal employer identification number (or Social Security number). Non-Minnesota Contract Vendors are required to provide their federal employer I.D. number (or Social Security number) only. This information may be used in the enforcement of federal and State tax laws. Supplying these numbers could result in action to require a Contract Vendor to file tax returns and pay delinquent State tax liabilities. These numbers will be available to federal and State tax authorities and State personnel involved in the payment of State obligations.

HAZARDOUS SUBSTANCES. To the extent that the goods to be supplied to the State by the Contract Vendor contain or may create hazardous substances, harmful physical agents or infectious agents as set forth in applicable State and federal laws and regulations, the Contract Vendor must provide the State with material safety data sheets regarding those substances. A copy must be included with each delivery.

INDEMNIFICATION, HOLD HARMLESS, AND LIMITATION OF LIABILITY. The Contract Vendor must indemnify, protect, save and hold harmless the State, its representatives and employees, from any and all claims or causes of action, including all legal fees incurred by the State arising from the performance of the Contract by the Contract Vendor or its agents, employees, or subcontractors. The State does not agree to indemnify, defend, or hold harmless the Contract Vendor, the Contract Vendor's employees, affiliates, or any third parties that may be a beneficiary of the contract. The State does not agree to release the Contract Vendor, Contract Vendor's employees, affiliates or any third parties that may be a beneficiary of the contract from all liability under this contract. This clause must not be construed to bar any legal remedies the Contract Vendor may have with the State's failure to fulfill its obligations pursuant to the Contract.

The State agrees that Contract Vendor, its principals, members and employees will be liable to the State for any actions, damages, claims, liabilities, costs, expenses, or losses in any way arising out of or relating to the goods provided or services performed hereunder for an aggregate amount \$2,000,000 or the Contract amount, whichever is greater. This limitation of liability does not apply to damages for

personal injury or death, or to Contract Vendor's obligation to indemnify, defend and hold the State harmless against intellectual property infringement claims under paragraphs included in the Solicitation or a resulting contract. This indemnification does not include liabilities caused by the State's gross negligence or intentional wrong doing of the State.

DEFAULT. A State purchase order constitutes a binding contract. All commodities furnished will be subject to inspection and acceptance by the requisitioning entity after delivery. No substitutions or cancellations are permitted without written approval of the State contracting agency. Back orders, defaults in contracted delivery, or failure to meet specifications in the purchase order and/or the solicitation authorize the State contracting agency to cancel the award or any portion of it, purchase elsewhere, and charge the full increase, if any, in cost and handling to the defaulting Contract Vendor. A Contract Vendor may be suspended or debarred from receiving awards for consistent failure to comply with the terms and conditions of the Contract, or for failure to pay the State for the cost incurred on defaulted Contracts.

CANCELLATION OF THE CONTRACT. The Contract may be cancelled by the State or the commissioner of Administration at any time, with or without cause, upon 30 days' written notice to the Contract Vendor. In the event the Contract Vendor is in default, the Contract is subject to immediate cancellation to the extent allowable by the applicable law. In the event of cancellation, the Contract Vendor shall be entitled to payment, determined on a pro rata basis, for work or services satisfactorily performed and accepted.

RISK OF LOSS OR DAMAGE. The State is relieved of all risks of loss or damage to the goods and/or equipment during periods of transportation, and installation by the Contract Vendor and in the possession of the Contract Vendor or their authorized agent.

CONFLICT OF TERMS. In the event of any conflict between the General Terms and Conditions, and any Special Terms and Conditions, the Special Terms and Conditions govern.

FORCE MAJEURE. Neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that performance of any such obligations is prevented or delayed by acts of God, war, or other catastrophes beyond the reasonable control of the party unless the act or occurrence could have been reasonably foreseen and reasonable action could have been taken to prevent the delay or failure to perform. A party defaulting under this provision must provide the other party prompt written notice of the default and take all necessary steps to bring about performance as soon as practicable.

GOVERNMENT DATA PRACTICES. The Contract Vendor and the State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch.13, (and where applicable, if the State contracting party is part of the judicial branch, with the rules of public access to records of the judicial branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State to the Contract Vendor in accordance with this Contract that is private, nonpublic, protected nonpublic, or confidential as defined by the Minnesota Government Data Practices Act, Ch. 13 (and where applicable, that is not accessible to the public under the rules of public access to records of the judicial branch).

In the event the Contract Vendor receives a request to release the data referred to in this article, the Contract Vendor must immediately notify the state. The State will give the Contract Vendor instructions concerning the release of the data to the requesting party before the data is released. The civil remedies of Minn. Stat. § 13.08, apply to the release of the data by either the Contract Vendor or the state.

The Contract Vendor agrees to indemnify, save, and hold the State of Minnesota, its agent and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation of any provision of the Minnesota Government Data Practices Act (and where applicable, the rules of public access to records of the judicial branch), including legal fees and, disbursements paid or incurred to enforce this provision of the Contract. In the event that the Contract Vendor subcontracts any or all of the work to be performed under the Contract, the Contract Vendor shall retain responsibility under the terms of this paragraph for such work.

ORGANIZATIONAL CONFLICTS OF INTEREST. The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances which could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons:

- a. A Contract Vendor is unable or potentially unable to render impartial assistance or advice to the state;
- b. The Contract Vendor's objectivity in performing the work is or might be otherwise impaired; or
- c. The Contract Vendor has an unfair competitive advantage.

The Contract Vendor agrees that if an organizational conflict of interest is discovered after award, an immediate and full disclosure in writing shall be made to the assistant director of the Department of Administration's Materials Management Division that shall include a description of the action the Contract Vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the State may, at its discretion, cancel the Contract. In the event the Contract Vendor was aware of an organizational conflict of interest prior to the award of the Contract and did not disclose the conflict to the State's authorized representative, the State may terminate the Contract for default. The provisions of this clause shall be included in all subcontracts for work to be performed, and the terms "Contract," "Contract Vendor," and "State's authorized representative" modified appropriately to preserve the State's rights.
